Moreton Fig, the full-service restaurant at USC sporting seasonal Bradley Ogden menus, has pushed its public debut to this coming Monday, having reserved the past week for friends and family only. Lunch service starts on August 30th at the 8,000-square-foot space, with dinner planned to begin in September. A grand-opening

party for the new campus center [that houses the restaurant, starts today at 4:00 P.M.](#) [Earlier: [Grub Street L.A.](#)]
